MOON TRACKER

PLAYING RULES

- ★ Insert coin to play.
- ★ The game continues as long as you add coins. To begin press the start button.
- ★ Control the laser beams with the control lever. When you have zeroed in on your enemy's space ship and the COMPUTER LOCK locks, press the LASER BUTTON and aim at the space ship. If you press the laser button continuously it will overheat. If this happens, wait until the "LASER BUTTON" sign appears to be resume play.
- ★ SCORING SYSTEM

Red space ship	40 points
Blue space ship	10 points
Green space ship	20 points
Pirate ship	50 points
- ★ Playing time will be prolonged if the "NEXT BONUS" sign appears on the left side of the control panel during the game.
